Rotterdam, Netherlands  
June 5-7, 2024

## BE PART OF IT

**YOU ARE A YOUNG URBAN CHANGE MAKER OF 30 YEARS OR YOUNGER, CHANGING YOUR CITY FOR THE BETTER? APPLY NOW AND JOIN US AT #UF24!**

## WHY THIS PROGRAMME IS PERFECT FOR YOU

The Young Leaders Programme is a full-day programme taking place in Rotterdam on Tuesday, June 4, 2024 (the day before UF24 begins). It is a combination of skill workshops with renowned experts, exclusive networking formats and inspiring activities to get your own

ideas ahead – all in the midst of participating in Europe’s largest event on sustainable cities.

**On top of having access to the whole Urban Future conference programme at UF24, formats such as the following await you:**

### SKILLS WORKSHOPS

These workshops are focused on fostering skills and knowledge crucial to young leaders, paving their way and getting them involved – be it leadership, communication, or advocacy skills.

### FIRESIDE CHATS

These are discussions in small groups of 6-8 attendees. In very “honest” and personal sessions, community-, business-, and city leaders share very private experiences (eg. of being a politician) and you can bug them with your questions.

### BRAINCYCLING SESSIONS

This is where you can discuss your own projects – to broaden your horizon and channel different perspectives on topics that are essential to your vision of changing cities for the better.

### NETWORKING OPPORTUNITIES

We’re giving you exclusive networking options at the conference and will make sure that you get enough presence: we want all conference participants to know who you are and get to know you!

# WE WILL CHALLENGE YOU, INVOLVE YOU AND **GET YOU CONNECTED**

This is your chance to get inspired by experienced change makers, chat with exceptional mayors, chief city planners or business leaders in a private setting, and engage with almost 3,000 CityChangers from all over

the world, exchanging ideas and invaluable experiences.

**This is our offer – it's up to you to make the most of it. We can't wait to have you!**
